## Notes from Fr. Walsh

“From the halls of Montezuma...” A special thanks to our veterans this weekend, as we remember your service, the different branches in which you served, and the contribution of those who stood by you with the ultimate gift of their life. Thank you all, veterans. Thank you, Jim, for remembering them in your beautiful musical tribute this weekend.

I am so proud of our beautiful faith community and the Knights of Columbus for hosting the pancake feed for the Marinovich family. Thanks goes out as well to our anonymous donor for the matching gift of \$1000. I love this place!

FORMED.ORG. Remember to login to FORMED.ORG and begin receiving the beautiful programming offered on this site. There are bible studies, faith formation programs, youth programs, movies, story reading, etc. Lots of great stuff, and the highest quality programming available. The parish purchased a subscription for you, lasting until November 2020. Use it and we'll do it again next year. Again, google FORMED.ORG and sign in. They will ask you whether you are a member of a parish—click this button. They will ask for an email address. I think that's all that is need and you'll have access to the very best in web based Catholic programming.

I have a funny story to tell you. I use CovenantEyes on my computer to block inappropriate sites (read impure images, stories and movies). This is a great tool, with strong Catholic backing and participation. I have used the product for many years. Anyhow, I tried to get on Formed recently, and CovenantEyes blocked it! After bringing this to the attention of the people involved, I found out that my CovenantEyes program was pretty old. We replaced it. I still have problems, but I think it might be my old computer. I think this is hilarious. In fact, there are many hilarious things that happen to us during our day. Let's keep laughing!  
God bless you.
