## eGiving helps you make and maintain good habits.

We are so thankful to those who used eGiving when COVID-19 struck, to continue their church giving even when in-person services and tithing were impossible.

It’s a great stewardship habit we want to encourage among all our parish families!

Monthly, recurring gifts help provide our ministries with steady, consistent support. It helps our parish stay strong when summer vacations, holiday travels, and unexpected weather disruptions keep people away from services. And it saves time for our staff by cutting down the number of cash and check donations they must process.

Get started today with the good habit of eGiving!
