**FLAGS IN THE LAWNS** between the Church & the Rectory were placed during a site survey by a representative of *Windstream/Kinetic* for the **burying of fiber cable for our internet & phone service**. No charge for the fiber install. More flags for utilities after the Diggers Hotline is called. Does anyone know the location of the underground lawn sprinkler pipes? The fiber cable internet & phone will be less cost for monthly bills. Currently we have internet in both buildings. We have phone service in the rectory only. We have a parish office now in the parish hall entry area (old vesting sacristy). We could have a phone line added in the parish office with the money to be saved with the new fiber rates.
