THE ST. JAMES CHURCH BUILDING IS TWENTY YEARS OLD. Ongoing maintenance is important to maximize the beauty, life usability, and safety of our property. Maintenance on the tower was done shortly before I came. **Thank you** to those who have seen the needs and to have them addressed. Of course, there are costs to maintenance. **Thank you** to all who have given in support of our parish so that we can pay for these repairs. **Consider an extra donation** to our parish at the end of the year so that we can continue doing the work of the Lord. A couple of recent maintenance projects are summarized:

ELECTRICAL completed by *Ambition Electric* with 34 hours of labor: replacement of all exit signs & emergency lights (18), outdoor lights on poles near entry ways retrofitted to LED (3), awning lights to LED (5), counter light in sacristy to LED, LED replacement in 2 sacristy fixtures, install new outlets in choir loft to eliminate trip hazard, replacement of burnt out fluorescent bulbs in all parish hall rooms to LED (49), track flood light behind tabernacle, replacement of photo electric eye, & replacement of burnt out fluorescent bulbs in church entry. Church labor discount -\$510. **Total \$5,625.10.**

SIDING ON PARISH HALL completed by *Egger Exteriors*: removal & replacement of 60 squares of *Hardie* board siding on East side of parish hall, replacement of 60 sq ft of plywood- rotted wood substructure, ash board installed at bottom, removed & replaced 9 pcs of failed siding on North & West sides, painted old siding repairs to match, house wrap, & window tape. FURNACE & AIR CONDITIONER UNIT IN THE PARISH HALL replacement by *Action Plumbing: Champion* TM8E100, 80% AFUE gas furnace, New *Champion* TC3B060 5 ton, 13 SEER air conditioner, new return air filter box base, wire, pad, thermostat, materials & labor. **Total \$9,500.**

ST. JAMES EMERGENCY SUPPLIES: There is a labeled duffel bag on top of the coat rack shelf, in front of the women's restroom, with basic medical supplies for the parish to utilize in case of an emergency. Equipment & supplies will be checked monthly. Questions contact Lori Johnson. **THANK YOU, LORI,** for seeing & responding to this need.

TREE OF WARMTH: entrance of church - Collecting Hats, Scarfs, Mittens, Gloves, and Socks for Adults and Children. Pin them on the tree or drop them in the basket. Will collect items throughout the month of November and then donate them to *Catholic Social Services*.

ROSARY 7:40 AM SUNDAY - We need additional volunteers, contact Janet Ragland if you can help.

POWERSURGE & POWERUP: The fun, faith-filled nights are once a month for pre-K to 5th, and 6th-8th graders. High schoolers: help serve food, mentor, run a station. **Meal** starts 5:45, fun until 7:00. **Future dates are 1/18, 3/8, & 4/19.** Questions? Contact Renee D.- reneandneil@hotmail.com.

THANK YOU to Rosie VerMaas for repairing St. James sacred vestments with her sewing skills. Chasubles, stoles, copes, etc. Also for cleaning some chalice veils.

THANK YOU to Rosie V. for hemming up and adding Velcro to Fr. Lux's albs to help prevent tripping.

Our parish could benefit from two kneelers to be in front of the statues of B.V. Mary & St. James. They would be available for weddings and for benediction.

OUR STONE SANCTUARY FLOOR is beautiful. it could be made more safe by adding a non slip strip on the edges of all of the steps. I saw some at a church in Minnesota. It looked like a 1/2 or 3/4 inch strip of aggressive grit adhered to the stone step about 2 inches from the edge. It could also add contrast in color to indicate the step level change.

THE SACRED VESSELS AT ST. JAMES- candlesticks, ciboria, chalices, patens, etc. **need cleaned & polished.** I was sacristan at both of my seminaries. Windex and lemon wax furniture polish do marvels on lacquered metal. Silver polish works on silver vessels that are not lacquered. Brass polish works on unlacquered brass. If you are interested in this kind of work speak to Fr. Lux.
